PRESIDENT'S REPORT

By Tom Cook

"I see light at the end of the tunnel"No it's not another train...It's Progress. Now that the crush of activity producing the successful Twilight Concert is behind us we can concentrate on organization maintenance, membership growth

and enough donations and gift sales to predict a future ground breaking date for the Museum. New Board members will be elected, a new member task force is producing results, requests for museum services are growing and more. To hasten this progress we could use some Volunteer Part-time help such as: a Book Keeper, Corresponding Secretary, Odd Job Helpers, those with construction experience, Booth Tenders, and Telephone Callers. Please call 487-5088 if you see an opportunity. Hope to meet you all at the big October 15th 'Thank-You' Annual Members Meeting.

Koran

**Submitted by
Nancy Canfield**

I recently visited the Dead Sea Scrolls exhibit, and as I shuffled along in awe with hundreds of other people, I was struck by the fact that, though we were men, women, and children of various races, and speaking various languages, we all related to this authentic piece of history before us. Beginning with a simple shepherd who made the first discovery, through all the researchers, governments, and ordinary people, the passion to preserve, persevered. We read how, painstakingly, minute crumbs of parchment were reconstructed from dust. And why? Why is it so imperative to preserve history to them, and to us? I turn to the Koran for one explanation – 'We are the sons and daughters of life's longing for itself.'

RBHS Photograph Collection Expands

Peggy Rossi

With all their photography going digital, the *North County Times* no longer had need for its physical photo files. Thanks to the coordinating efforts of Lucy Berk of Escondido, local historical societies were invited to come in and take for their collections whatever photographs were relevant to their communities. In August and early September, Susan Floyd and I had the opportunity to acquire 651 Rancho Bernardo-related photographs from the 1970s to 1990s. Thank you, Lucy and the *North County Times*!

The RBHS thanks the following for their recent donations to the Museum:

Jane Radatz, President Hall of Fame
Hall of Fame Archives, Records and Memorabilia dating from 1974 to 2006. Organized by Ted Gaasch.

Jack Mitchell
Binder with extensive clipping files from the Symphony on the Green 1986-1992.

Oaks North Community Center
Binder/notebook of Oaks North clipping files from 1973-1976.
